General Comments

Tai-Lin Liu; Diary on 04/08/2011, Friday – Showers, 58/41 °F

- Checked Lotus Notes (e-mails) & PMIV to print Submittal / RFI log. There were two Submittals on the list - #2222 (OBG overall erection sequence for lift 12-14) & #2265 (Sea Transportation Plan for Voyage 11 – OBG 12 Crossbeam, Bike Paths and Barriers).

- TYL's comments for Submittal # 2222 just come in yesterday, studied the comments and sent to ABF for possible CRM. Discussed this comment with Gary Lai.

- Attended OBG fabrication meeting from 10:00 AM to 11:15 AM.

- Continued working on TYL's comments – e-mailed to Kevin Smith (ABF) & John Denis (TYL) for their opinion regarding the comments from both sides. Discussed the situation with Gary Lai.

- Talked to Philip for closing Sub #2262 – MFSQA. Started Submittal 2265.

* Worked 2 hours OT today (04/08/11, Friday)
